

Easter Chicks

Going 'Cheep'

Buy a gift that keeps on giving

You can help to make a big difference this Easter to lives of the abandoned babies and children at the Sanyu Babies' Home in Uganda.

By donating just £10 or \$14 you can provide a brood of fluffy chicks that will help to support the orphans at Sanyu.

It's an Easter gift that keeps on giving. Once your chicks are grown the eggs they lay will give the children a sustainable source of protein rich food.

And that's not all. If we can provide Sanyu with enough chicks then there will be eggs left over to sell; giving the home the means to generate a much needed income.

So your £10 or \$14 can make a real difference. Donate today and help to secure a better, brighter future for abandoned babies and orphan children in Uganda.

Happy Easter from all the children and Staff at Sanyu Babies Home.

Cost for a brood of chicks
£10 or \$14

An Eggsellent Easter Gift.

How It Works

1. Choose how many broods of chicks (£10 or \$14 per brood) you wish to give to your family and friends this Easter.
2. Complete and return the form below, along with your cheque, to the address shown.
3. Once we have received your order and payment we will email you artwork for a card for you to print out so that you can tell your family and friends how you are helping abandoned babies and orphaned children in Uganda this Easter.

Order Form

Title: _____ Forename: _____

Surname: _____

Address: _____
